

Kyrgyz - Kyrgyzstan

 KUR-gheez

Although they are related to the Kazakh and other Turkic peoples of the region, the Kyrgyz look very much like the Mongols. They are culturally Muslim, but the practice and understanding of Islam is low. Spiritism is widespread, with ubiquitous shrines, amulets, the occult, shaman priests and demonization.

Ministry Obstacles

Because of past experiences, misconceptions about the nature of the Christian gospel must be overcome.

Scripture Focus

Heal me, O LORD, and I shall be healed; save me, and I shall be saved, for you are my praise. Jeremiah 17:14

Prayer Focus

Pray for this people group to seek and find the Lord's healing touch.

Pray that each Kyrgyz individual will increasingly hunger to know the truth found in Jesus Christ, and that this hunger will then be satisfied. Pray that Kyrgyz believers will become effective and fruitful in sharing and discussing Bible stories with their own and other families. Evangelicals are growing at an encouraging rate among these people. Pray these individuals will be properly instructed in the faith and will hold fast to Jesus as their first love. A translation of the entire Bible is available in the Kyrgyz language, as well as many excellent communication tools. Pray for workers to use these means to communicate the gospel message to all of Kyrgyzstan.
